International Fellows Initiative: seeking applications for Fall 2023 and Spring 2024

About IFI

The International Fellows Initiative (IFI) is a work funded by the Jesuit Conference of Canada and the United States and a collaboration between the two Jesuit theology centers in the United States of America: the Boston College School of Theology and Ministry (BC STM) and the Jesuit School of Theology of Santa Clara University in Berkeley (JST-SCU).

The IFI hosts post-doctoral international scholars for a six to nine month period of research at either JST-SCU or BC STM (applicants will indicate their preference of research site as part of the application process). The IFI provides scholars with space, time, and resources to complete the research set forth in their fellowship proposal. ***The BC STM is not accepting applications for 2023-2024.***

Applications JST-SC for academic year 2022-2023 are due **December 20, 2022.**
